

## “f” Logo

### Using the “f” Logo

The primary use of the “f” logo is to promote your organization’s presence on Facebook. For example, when you say, “Find us on Facebook” and link to your Facebook Page, it’s appropriate to use the “f” logo.

### Maintain Proportions

The proportions and spacing of the “f” logo should never be altered for any reason. Hold the “Shift” key in most software programs to maintain the proportions while scaling up or down.

### Preserve Clear Space

To preserve the integrity of the “f” logo, always maintain a minimum clear space around the logo. This clear space insulates our “f” logo from distracting visual elements, such as other logos, copy, illustrations or photography. Always maintain this minimum clear space, even when proportionally scaling the logo.

### Incorrect Use

To ensure accurate and consistent use, never alter, rotate, embellish or attempt to recreate the “f” logo. Don’t alter the rounded box shape or alter the proportions, or add any embellishments.
